**JOB OPPORTUNITY – MANAGEMENT LEVEL GEOLOGIST (OVER 8 YEARS experience)**  
**VALENTIS – INTERNATIONAL MINING SERVICES COMPANY**

### **ABOUT VALENTIS**

The Valentis Group is an Australian–lead mining services company based in Yangon. Valentis is the leading turnkey services provider in the Myanmar mining industry, and has the technical capacity to work on all level of minerals projects from greenfields reconnaissance exploration through to resource drilling and modelling. Valentis works with a range of local and foreign clients currently working in, or looking to invest in Myanmar’s mineral sector.

Our key divisions include:

- **Valentis Services** – Valentis Services offers exploration and mining services including exploration program design, program execution, field management, data interpretation and GIS services, drawing on the skill, experience and local knowledge of our combined Australian and Myanmar geological team.
- **Titeline Valentis Drilling Myanmar** – TVDM is a joint venture between Australian company, Titeline Drilling International (from Melbourne, Australia) and Valentis. TVDM provides exploration drilling services in Myanmar and combines a world class exploration drilling service provider with Valentis’ in depth market knowledge and expertise in mining services.
- **Valentis Austhai** – VA is a joint venture between Valentis and Austhai Geophysics Consultants (from Bangkok, Thailand). VA offers a broad range of specialist geophysical survey services in Myanmar. VA has a range of equipment and trained personnel located in Myanmar and Thailand.
- **Valentis Environmental and Geotechnical Services** – VEGS provides geotechnical engineering and practical environmental management and solutions for all phases of mining and civil projects, from pre-feasibility to design, construction, operation and closure phases.

Valentis is growing substantially and we are seeking an experienced Geology Manager to join our Services technical team.

### **KEY BENEFITS**

- Working with an international team, with the opportunity for diverse project experience across Myanmar
- Management level responsibilities and attractive remuneration
- Career development opportunities, including participation in Valentis developed training programs, along with external training courses

---
