

JOB OPPORTUNITY – SENIOR MANAGER (ENVIRONMENTAL)– VALENTIS ENVIRONMENTAL & GEOTECHNICAL SERVICES VALENTIS

ABOUT VALENTIS

Valentis Group is Australian company and leading services provider in the construction, infrastructure, mining and power sectors in Myanmar. Valentis works with a range of local and foreign clients in Myanmar. Our key divisions include:

- **Valentis Environmental and Geotechnical Services** – VEGS provides geotechnical engineering and practical environmental management and solutions for the construction, infrastructure, mining and power sectors in Myanmar.
- **Valentis Services** – Valentis Services offers exploration and mining services including exploration program design, program execution, field management, data interpretation and GIS services, drawing on the skill, experience and local knowledge of our combined Australian and Myanmar geological team.
- **Titeline Valentis Drilling Myanmar** – TVDM is a joint venture between Australian company, Titeline Drilling International (from Melbourne, Australia) and Valentis. TVDM provides exploration drilling and geotechnical drilling services in Myanmar.
- **Valentis Austhai** – Valentis Austhai is a joint venture between Valentis and Austhai Geophysics Consultants (from Bangkok, Thailand) that offers a broad range of specialist geophysical survey services in Myanmar. Valentis Austhai has equipment and trained personnel located in Myanmar and Thailand.

Valentis has over 150 staff from eight different countries and has a reputation for providing international standard services at competitive prices.
